

Lemon Peel Stitch – Crochet

How to Crochet the Lemon Peel Stitch

1. Foundation Chain: Create a starting chain with an odd number of stitches.
2. Row 1:
 - Skip the first two chains from the hook and make a single crochet (sc) in the second chain.
 - Make a double crochet (dc) in the next chain.
 - Continue alternating sc and dc stitches all the way across the foundation chain.
 - End the row with a double crochet in the last chain.
3. Row 2:
 - Chain one and turn your work.
 - In the first stitch, make a single crochet.
 - Make a double crochet in the next stitch.
 - Continue alternating single crochet into double crochet stitches and double crochet into single crochet stitches from the previous row.
 - End the row with a double crochet in the last stitch.
4. Subsequent Rows: Repeat Row 2 for the rest of the project, always crocheting a single crochet into the previous row's double crochet and a double crochet into the previous row's single crochet.
